- Exhibitors must register their animals in FairEntry <https://floydcounty.fairentry.com> between May 16 and June 19 at 11:59 pm. If the exhibitor is a Clover Kid sign in with your 4-H/Online information. If the exhibitor participated in the past, sign in with the information from the past. If the exhibitor is new to showing at the Floyd County Fair sign up by creating a new profile in FairEntry.
- Up to 2 pigs may be shown in the Pee Wee Swine Open Show.
- Animals cannot be shown in the 4-H and FFA Swine Show or be part of a sibling's current 4-H/FFA project.
- All Pee Wee Swine must have an EID tag. Tags will be available for purchase through the Floyd County Extension Office. Taggers will be available for checkout. If you need assistance tagging your pig(s) contact the superintendents.
- All swine are subject to a random urine test at the Floyd County Fair.
- **Pee Wee Swine superintendents reserve the right to refuse pigs to the show ring due to the pig being unfit to show including cleanliness of pens and aisles.**
- Classes will be split by fair entry weight. If an exhibitor has two animals in one class due to the fair entry weight, the exhibitor has the option to move one animal up into the next weight class if there is a heavier weight class above them.

- Exhibitors must use bagged woodchips or wood shavings in their pens at fair.
- Exhibitors are not allowed to use any waterers at fair that will create a mess in the pen or alley. Open troughs, barrels, rubber or tin devices are examples of waterers not allowed.
- Each exhibitor is responsible for:
 1. Knowing their stall number
 2. Pigs getting to and from the show arena

3. Keeping their pens and aisle clean

- Pee Wee Swine are not eligible to be sold at the livestock auction but can be sold at market value and put on the truck to the alternative buyer.
